Checking your motivation:

II Timothy 2:5 – 1) In Paul's admonition to Timothy, the word for "*compete*" is the Greek word "*agoniz'ma*" which means to agonize, perfecting that which has been given or to agonize for mastery – not striving for ego." Perfection is in the heart of God. Our whole life is set on perfecting, maturing and being at a different level than when we entered life.

2) In "*performance*", the goal is exhibiting our skills to receive applause. In "Worship", the goal is ultimate focus upon God.

3) Seeking God's plan for the administration of your gifting: Private Worship, Intercessions, company member, Support person, Costuming Administration.

- ❖ "The strength of humility is that it builds a spiritual defense around your soul prohibiting strife, competition and many of life's irritations from stealing your soul. Satan fears virtue. He hates humility because it is the surrender of the soul."
Francis Frangipane
- ❖ "Humility is a vigorous state of being in which we have a sense of who we are and more importantly, who we are Not."
Frank Shaffer
- ❖ "Every artist, but for grace, is drawn away from the love of the thing he tells, to love of the telling."
C.S. Lewis
